

ABOUT THE PRESENTERS

Landscape IPM—Michael Baefsky is the owner of Baefsky & Associates, an Environmental Consulting firm located in the San Francisco Bay Area. Three major areas of emphasis of his company are Integrated Pest Management, Arboriculture, and Applied Soils Ecology. As a licensed Agricultural Pest Control Adviser and consulting Certified Arborist, he has been providing information services to cities, counties, the State of California, developers, builders, homeowners, and others since 1985.

Structural IPM—Ingrid Carmean is the owner and operator of Carmean Pest Management. Carmean Pest Management does Integrated Pest Management for large organizations and businesses, including school districts. She works with clients to perform and promote IPM practices. She has held contracts for pest management consulting as well as IPM training courses.
